Arts and heritage

University's Choir and Anthem

The **university choir** sings the National and university anthem at events like the convocation ceremony.

The University Anthem

From humble beginnings
Through many a tribulation
Nurturing the passion to care
A noble profession

Guided by teachers
Like parents
Deserving respectful love
We are brothers and sisters
Striving for excellence

We seek knowledge
Divine and whole
Enriching the soul
Uplifting the character
For what is success
If it isn't blessed

Cherishing moments
The joy and sadness
For the wrongs
Seek forgiveness

The path of God, straight
Do not deviate
Feel His Grace
His Mercy, embrace

May our varsity prosper
With His Pleasure
Serving all of humanity
Is our pleasure

Sustainable Commuting
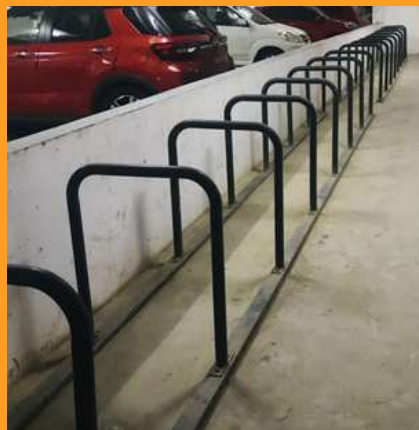

11 SUSTAINABLE CITIES AND COMMUNITIES

Walking

University provides accommodation at Edusphere Suites which is **270m distance** and **4 minutes walk** from University's campus. This encourages students to walk reducing the carbon foootprint.

270 metres

Distance from Edusphere Suites to University Campus

Cycling

The university supports cycling by providing space for **shared biking service station** by **Tryke**, Malaysia's first shared **e-scooter** and **parking space** for bicycles. Cyberjaya city has cycling lanes to encourage cycling.

Sustainable Commuting

Free bus shuttle

Free bus shuttle services are provided daily from varsity lodge (hostel) to campus. This encourages bus pool and reduces carbon footprint.

50

Number of trips provided by University free shuttle service daily

Bus stop

There is a bus stop in front of the university campus which provides a stop for **monorail rapid transit (MRT) feeder buses** and **public buses.**

Sustainable Commuting

Pedestrian priority on campus

University prioritise pedestrian access on campus

Survey on awareness of e-hailing ride share, Kumpool

Kumpool is an e-hailing ride sharing transport in Cyberjaya which offers cheap fares. Students from the **Environmental Volunteerism course** in collaboration with **Kumpool** conducted a public survey to raise awareness on Kumpool service to the public.
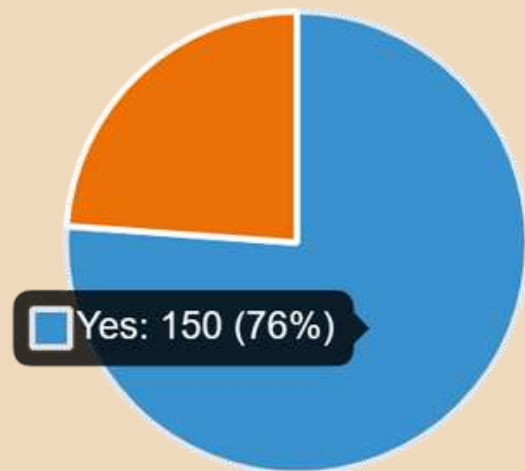

Sustainable Commuting

Mass Rapid Transit (MRT) Cyberjaya Usage Survey

Facilities department conducted a survey **MRT usage** among staff and students to improve free bus shuttle services which can encourage pooling and reduce carbon footprint.

76% of respondents from the survey uses MRT as main mode of transportation.

Yes: 150 (76%)

108 respondents take **MRT feeder bus** to commute between MRT station and university campus.

Mode	Count
MRT Feeder Bus	108
Grab	94
Air Asia Ride	57
Kumpool	93
E-Scooter Rent	3
Drop-off by friend	42
Taxi	3
