WHO's Standing Committee of Health Emergency Prevention, Preparedness and Response

17 PARTNERSHIPS FOR THE GOALS

Tan Sri Dr Noor Hisham, Chancellor of University of Cyberjaya is currently the Chair of the **World Health Organisation's Standing Committee of Health Emergency Prevention, Preparedness and Response (SCHEPPR)** in Geneva and was also recently appointed WHO Western Pacific Regional Office, **Technical Advisory Group on Universal Health Coverage.**

Synergistically, his role within the Technical Advisory Group is important as he intend to align with the medical education and training of the university students to make a big difference in the health system and in the Western Pacific member states.

Noor Hisham is University of Cyberjaya chancellor

Sustainable Development Goals Week

SDG Week is one of the significant events organized by the University's SDGs Taskforce Committee with objective of engaging students, staff, NGOs, governmental organizations, the private sector and the broader community with the SDGs through forums, workshops, exhibitions, zero waste festival and competitions. A highlight of the event is the promotion of plant-based diet as a sustainable food choice and minimal waste.
