# Water Conservation

**6** CLEAN WATER AND SANITATION

## On campus

University takes several initiatives to conserve water.

The facilities department reminds campus community on conscious water usage on campus.

**A FRIENDLY REMINDER TO KEEP OUR WASHROOMS FRESH**

FLUSH AFTER USE

SAVE WATER

DO NOT THROW ANY TRASH IN THE TOILET

NO STEPPING ON TOILET

NO SMOKING OR VAPING

**SHARE YOUR FEEDBACK**  
 We strive to provide a conducive campus environment. If you are not happy with the washroom facilities or you find something in need of repair, please let us know through our helpdesk at [www.cyberjaya.edu.my/helpdesk](http://www.cyberjaya.edu.my/helpdesk) > Click on the Facility Department option. Thank you.

All toilets are provided with spring loaded push auto stop faucets and equipped with built-in aerators.

# Water Conservation

## Community

Bachelor of Physiotherapy students conducted a **water conservation project** for Environmental Volunteerism course. A booth was set at local community lake to promote awareness on the importance of water conservation. They also conducted a lake clean-up.

# Sanitation

6 CLEAN WATER AND SANITATION

Hygiene and sanitation of the campus premise are given the uttermost importance.

Campus including washrooms and toilets are cleaned regularly.

There are also sanitary waste disposal service provided.
