Local start-up support

The Workshop Scented Eco-friendly Candle Making event is part of our commitment to promoting sustainability during SDG Week 2024. Participants learned how to make beautiful, eco-friendly scented candles while adopting zero-waste principles.

This workshop highlights our commitment to raising awareness and encouraging sustainable practices within the University community. Through hands-on activities, we empowered participants to embrace sustainability and apply these practices in their daily lives.

Public talks

Forum: Shaping a Sustainable Future: The 2030 Agenda

The Shaping a Sustainable Future: The 2030 Agenda forum, at Grand Hall, University of Cyberjaya, was a key event during the university's SDG Week.
