Workshop on Boosting Supervisory Skills

University of Cyberjaya hosted a workshop aimed at enhancing supervisory skills in academia. The event, organized by the Graduate Research School, featured distinguished speakers Prof. Dr. Mohd bin Makmor Bakry from Universiti Kebangsaan Malaysia and Prof. Dr. Mohamad Aris Mohd Moklas from Universiti Putra Malaysia.

The workshop emphasized the significant role of effective supervision in fostering quality education and decent work, aligning with the Sustainable Development Goals (SDGs). The speakers shared valuable insights on best practices for academic supervision, stressing the importance of mentorship and guidance in nurturing future researchers and professionals. The session was well-received by attendees, with a focus on improving supervisory strategies to ensure academic success and support for graduate students.

Alpro Kaizen Warrior Award : Tale of Bravery and Academic Excellence

Muhammad Aqief bin Mohd Bahaudin, an alumnus of the University of Cyberjaya's Faculty of Pharmacy, was honored with the Alpro Kaizen Warrior Award for his exceptional courage and academic excellence. This prestigious award recognizes individuals who demonstrate outstanding bravery and contribute significantly to their field. Aqief's dedication to both his studies and his community exemplifies the values upheld by the University of Cyberjaya.

The Alpro Kaizen Warrior Award highlights the university's commitment to nurturing individuals who not only excel academically but also make meaningful contributions to society. Aqief's achievements serve as an inspiration to current and future students, embodying the spirit of perseverance and excellence.

Postgraduate Proposal Defence Seminar: A Platform for Academic Excellence

The Postgraduate Proposal Defence Seminar at the University of Cyberjaya, served as a pivotal platform for postgraduate students to present their research proposals. This seminar provided an opportunity for students to receive constructive feedback from academic experts, enhancing the quality and direction of their research endeavors. By facilitating such engagements, the university underscores its commitment to fostering academic excellence and supporting the scholarly development of its postgraduate community.

University of Cyberjaya at the Youth Economic Forum 2024

4 QUALITY EDUCATION

The University of Cyberjaya (UoC) participated as a silver sponsor at the Youth Economic Forum (YEF) 2024. Organized by the Perdana Fellowship Alumni Association, the forum brought together over 1,200 delegates, including students, young professionals, and industry leaders, to discuss Malaysia's evolving economic landscape.

This year's theme, "A Second Economic Takeoff: Malaysia's Path to the New Economy," focused on youth empowerment, industry innovation, sustainability, and the green economy. Key discussions included the role of youth in driving economic transformation, the impact of digital literacy, and the importance of entrepreneurship in shaping a resilient economy. UoC's involvement underscores its commitment to fostering leadership and innovation among students, preparing them to contribute meaningfully to Malaysia's economic future.

University of Cyberjaya Hosts Successful Systematic Review Workshop

4 QUALITY EDUCATION

The University of Cyberjaya successfully hosted a Systematic Review Workshop, organized by the Graduate Research School in collaboration with the Faculty of Pharmacy. The workshop aimed to enhance research skills among postgraduate students.

The session covered essential aspects of conducting systematic reviews, including formulating review questions, data extraction, analysis, screening, and reporting. These skills are crucial for producing high-quality research and contributing to academic excellence. The workshop provided participants with practical knowledge to effectively plan and execute systematic reviews in various research fields.

This initiative reflects the university's commitment to fostering a robust research culture and supporting the academic development of its postgraduate community.
